## **The 4<sup>th</sup> Uganda International Oil & Gas Summit – Conference Programme**

The Conference programme has been developed in consultation with the Ministry of Energy & Mineral Development to ensure its clarity in addressing the most important issues for Uganda and all stakeholders across the value chain with an interest in the future of oil and gas exploration and production in Uganda. The Uganda International Oil & Gas Summit is a timely meeting for policy makers, global investors, oil and gas companies, lawyers, consultants and other stakeholders to find out more about the state of exploration and production as it is now and what challenges and opportunities lie ahead.

### **Opportunities:**

- ✓ Proven reserves
- ✓ Bidding processes underway
- ✓ Stable national government with ambitions
- ✓ Willing to partner with international companies and governments
- ✓ Job creation and wealth creation in-country
- ✓ Supporting industry diversification

### **Challenges:**

- Global oil prices, building for the future
- Getting in place critical infrastructure
- Delivering first commercial oil on target
- Political and economical risk – domestic/regional
- Developing skilled workforce
- Financing gaps

## **The 4<sup>th</sup> Uganda International Oil & Gas Summit – Networking**

In addition to the invaluable insight presented in the conference programme; UIOGS is all about meeting the right people for your business; partners, suppliers and customers. With all government and industry leaders gathered together under one roof, this represents a significant opportunity for companies across the oil & gas value chain to have effective meetings throughout the event. In addition to the traditional coffee breaks and luncheons; UIOGS provides a one-to-one business matching service for the use of all participants; ensuring an effective and profitable experience for all delegates at UIOGS. Included for all to enhance participation:

- ✓ Coffee breaks
- ✓ Delegate lunches
- ✓ Evening drinks reception
- ✓ Business matching
- ✓ Rounds tables
